ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically driven technology company, specializing in the development and production of superior wellness products utilizing our proprietary ZorbMax® Delivery Technology. We have solved the limited absorption issues of traditional delivery methods for nutraceutical & cosmeceutical products. Studies show that less than 55% of all supplements ingested orally never reach the cell.

Our products are faster acting, deliver superior absorption & help you perform at your best. We create nutrition particles that are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly to your cells.

For those who demand nothing but the best!
We deliver “MAXIMUM BIOAVAILABILITY”.

FEATURES & BENEFITS

Improved Immune Health: Regulates and strengthens the Immune system because of its abundance in antioxidant and anti-inflammatory properties.*

Helps Digestive Performance: Beneficial for balancing bacteria in the gut microbiota, which in turn has positive effects on the digestive symptom, energy expenditure, and the ability to absorb vitamins and minerals from the food you eat.*

Combats Anxiety: CBD use has been shown to improve some symptoms related to anxiety disorders because of its anxiolytic (anxiety reducing) properties.*

Aids in Relaxing the Body: The strong sedative effects of CBN cause a relaxing effect on the body. Helping to ease overly tense muscles and cause the body to relax.*

KEY INGREDIENTS

MCT Oils: MCT or medium-chain triglycerides oil are the fats we get from food and store in our body for energy. Unlike other fats, medium-chain triglycerides are Medium-chain fats are easier to digest and are consumed and directed straight to the liver, meaning they are burned as energy straight away.*

Nano CBD: CBD is a popular natural remedy used for many common ailments. It is one of more than 100 chemical compounds called cannabinoids that are found in the cannabis plant, Cannabis sativa. CBD is an appealing option for relief from pain and other symptoms without the mind-altering effects of cannabis.*

Nano CBG: A superior bacteria fighter, CBG has antifungal and antimicrobial properties so potent that it can even fight off bacterial strains that are notoriously resistant to antibiotics.*

Nano CBN: Unlike THC, CBN has no psychoactive effects. There is no "high" or any other mind-altering effect from CBN. CBN appears to have multiple health benefits including anti-inflammatory capabilities and calming properties.*

Sunflower Lecithin: Contains high level of phosphatidylserine. This phospholipid possesses unique antioxidant properties. It reduces oxidative stress by suppressing the action of pro-oxidants and enhancing the activity of natural antioxidants.*

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.
