

# YUMMY GUMMY IMMUNE BOOST!

GREAT TASTING 3-IN-1 VEGAN GUMMY!

Vitamin C • Elderberry • Zinc

**Vegan Gummies that will have you wanting more!**

Elderberry, Zinc, and Vitamin C are all known for helping to support the body's natural defenses! Elderberries contain high levels of flavonoids and are known for their antioxidant properties, while Zinc is known for its role in cellular metabolism and the maintenance of skin integrity. Vitamin C has been shown to support white blood cell production, cells which are important in immune response.

Antioxidants work to fight off free radicals and keep your body healthy, balanced, and functioning properly. Support your immune system all year long. These come in a delicious elderberry flavor.

## ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically driven technology company, specializing in the development and production of superior wellness products utilizing our proprietary ZorbMax® Delivery Technology. We have solved the limited absorption issues of traditional delivery methods for nutraceutical & cosmeceutical products. Studies show that less than 55% of all supplements ingested orally never reach the cell.

Our products are faster acting, deliver superior absorption & help you perform at your best. We create nutrition particles that are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly to your cells.

**For those who demand nothing but the best!**  
**We deliver “MAXIMUM BIOAVAILABILITY”.**

### HOW TO USE:

Take 2 gummies per day. Chew repeatedly before ingesting.

### FEATURES & BENEFITS

#### Strengthens the Immune System:

Helps fight disease-causing free radicals by aiding in preventing their buildup, and therefore minimizing oxidative stress and damage to your cells.\*

#### Encourages Healing:

Zinc plays a critical role in collagen synthesis, immune function, and inflammatory response, which cause damage and disease to our cells.\*

#### May Improve Respiratory Health:

Hinders free radicals and keeps your respiratory system healthy, balanced, and functioning properly.\*

#### Great Taste:

These candies come in a delicious berry flavor that makes taking them enjoyable!\*

### KEY INGREDIENTS

#### Elderberry Fruit Extract:

A plant used in phytotherapy for its diaphoretic, anti-inflammatory, and diuretic properties. Commonly used in the treatments of colds, fevers, and diseases of the respiratory tract as well.\*

#### Vitamin C:

Our bodies are constantly under attack by free radical scavengers, which cause damage and disease to our cells. Vitamin C acts as an antioxidant to neutralize free radicals and reduce the risk of inflammation and disease.\*

#### Zinc:

A mineral involved in skin repair and in making DNA, the cells' blueprint for replication. Zinc plays a critical role in collagen synthesis, immune function, and inflammatory response, making it necessary for proper healing.\*
