

FAST RELIEF FROM FATIGUE AND SORENESS!

GIVE YOUR SKIN THE TREATMENT IT DESERVES!

Nano Gel is created through a “state of the art” processing method of the ingredients. This unique formulation of multi-skin nutrients is capable of holding water in suspension in a gel form, thereby allowing for greater absorption.

This formula has been created without fragrance, so it may also be used by individuals who have sensitive skin. An antibacterial agent further ensures its safe use. Nano Gel leaves no greasy residue and will not burn your eyes as other products can. Experience the relief from fatigue and soreness.

ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically driven technology company, specializing in the development and production of superior wellness products utilizing our proprietary ZorbMax® Delivery Technology. We have solved the limited absorption issues of traditional delivery methods for nutraceutical & cosmeceutical products. Studies show that less than 55% of all supplements ingested orally never reach the cell.

Our products are faster acting, deliver superior absorption & help you perform at your best. We create nutrition particles that are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly to your cells.

For those who demand nothing but the best!
We deliver “MAXIMUM BIOAVAILABILITY”.

NANO GEL

Supplement Facts

Ingredients:

Ultra Purified Deionized Water, Carbopol®, Aloe Barbadensis, Calcium Chloride, Magnesium Sulfate, Vitamin A, Vitamin E, White Willow Bark, Tea tree oil, Abiol, Grapeseed Extract.

HOW TO USE:

Use Nano Gel as a gentle massage on tired and weary muscles, and to help keep the skin soft and smooth.

FEATURES & BENEFITS

Improved Skin Health: Aloe vera aids in keeping your skin clear and hydrated, thanks to its water-dense leaves and special plant compounds which make it an effective face moisturizer and pain reliever.*

Muscle Ache Relief: Application to sore joints and muscles can show improvement by lowering the level of pain associated.*

Fights Bacterial, Fungal, and Viral Infections: The broad-spectrum activity of tea tree oil due to its antibacterial, antifungal and antiviral properties can be used to fight a number of infections.*

Maintains Immune Health: Has antioxidant properties, fights free radicals and promotes cell renewal. Which leads to an immune system that is stronger and better able to do its job. *

KEY INGREDIENTS

Magnesium Sulfate: A vital mineral that contributes to our health and wellbeing through over 300 biochemical reactions (e.g., breaking down food into energy, aiding in the synthesis of DNA and RNA, helping calcium absorption, and much more).*

Aloe Barbadensis: Has been shown to have interesting anti-inflammatory properties which are believed to be related to inhibition of pro-inflammatory prostaglandin synthesis, and inhibition of histamine and leukotriene formation.*

Vitamin A: A nutrient important to vision, growth, cell division, reproduction, and immunity. Vitamin A also has antioxidant properties.*

Vitamin E: Because of its antioxidant activity, Vitamin E is vital in protecting skin cells from ultraviolet light, pollution, drugs, and other elements that produce cell damaging free radicals.*

Castor Oil: Its combination of antibacterial, anti-inflammatory, and moisturizing effects help treat some causes of acne. Castor oil also fights fungal infections, which may help relieve hard-to-treat fungal acne. *

Natural White Willow Bark: Antioxidant compounds called polyphenolic glycosides and flavonoids are also found in white willow bark. These have been shown to protect against oxidative stress and various symptoms tied to aging, such as poor physical performance, cognitive decline, etc.

Tea Tree: A powerful disinfectant that is gentle enough to apply topically in order to fight skin infections and irritations.*

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.
