

# VITAL PSP+

FUEL FOR THE MIND & BODY

A Remarkable Whole Food Supplement!

Vital PSP+ is a synergy of all-natural native strains of rice processed into a complex formulation of carbohydrates, crude protein, and essential vitamins and minerals small enough to be 100% assimilated into the cell.

Vital PSP+ gives you a supportive, 100-percent natural therapy that contains no added sugar, chemicals, fillers, binders, artificial colors, artificial flavors, additives, or preservatives, and has no known side effects. Your cells are the basic units of life. The adult human body is made up of as many as 90 trillion cells, each structured to perform a specific task. Vital PSP+ works in the cell, feeding the DNA, RNA, and mitochondria, thus supporting glucose/energy metabolism at the cellular level.

Good or poor health is determined at the cellular level. Vitamins, amino acids, and trace elements are needed for the thousands of biochemical reactions taking place in each cell, and chronic deficiency of these nutrients is one of the most frequent causes of cellular dysfunction. Replenishing these cells with essential nutrients supports bioenergy production and leads to optimal health.

If you are searching for an extraordinary and innovative product that promotes overall health, Vital PSP+ is your answer!.\*

## WHAT IS VITAL PSP+?

Vital PSP+ is an Alpha-Glycan whole food that contains naturally occurring nutrients essential to boosting the body's process of cellular regeneration. Because Vital PSP+ is an Alpha-Glycan, it is a much more recognizable and usable food source for the DNA.

### WHY SOIL IS IMPORTANT!

Cultivated in organic soil that has been enriched with spirulina, Vital PSP+ combines PolySaccharidePeptides, essential minerals, amino acids, Vitamin B complex, and more than 50 antioxidants. This potent mix boosts glucose uptake at the cellular level, which enhances the function of the circulatory and immune systems, triggering the body's natural powers to regenerate and heal.

### WHAT ARE POLYSACCHARIDEPEPTIDES?

PolySaccharidePeptides provide pure fuel for the brain by enhancing glucose uptake in the cells to promote cellular repair and regeneration. They also metabolize nutrients and eliminate toxins and waste. Simply put, PolySaccharidePeptides can have a profound effect on the health of every cell in the body. This increased metabolic efficiency enhances the body's natural process of detoxification and significantly boosts the immune system.

### Supplement Facts

Serving Size: 1 scoop (5g) Servings per Container: 30

	Amount Per Serving	% Daily Value
Calories	20 Kcal	
Total Carbohydrates	4.1 g	2%
Protein	.5 g	0%
Proprietary Blend	4900 mg	**
Natural Alpha-Glycan PolySaccharidePeptides procured through a patented process from scientifically selected & hydrolyzed strains of rice.		
Naturally Hydrolyzed Spirulina	50 mg	**
Naturally Hydrolyzed Centella Asiatica (Gotu Kola)	50 mg	**

\*\* Daily Value Not Established. Percent Daily Values are based on a 2,000 Calorie Diet.

### HOW TO USE:

Take up to 3 servings a day before each meal. Sprinkle or mix each serving (1-3 scoops) into any drink, liquid food, soup, or salad.

### FEATURES & BENEFITS

**Strengthens the Immune System:** This potent mix boosts glucose uptake at the cellular level, which enhances the function of the circulatory and immune systems, triggering the body's natural powers to regenerate and heal.\*

**Encourages Healing:** Cantella Asiatica has a substance, asiaticosida, which helps in the formation of cells and gives the body what it needs during the healing process.\*

**Improves Your Overall Wellness:** When your cells are healthy and receive proper nutrition, they can produce the proper energy for DNA functioning. Thus allowing the process of the body being put back to its natural order.\*

**Reduces Inflammation:** Many antioxidants in spirulina have anti-inflammatory effects in the body. These antioxidants are key in preventing many health issues caused by chronic inflammation.\*

**Warning:** Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

**Storage:** Store in a cool, dry place.

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

### KEY INGREDIENTS

**Hydrolyzed Rice Flour:** A synergy of all-natural native strains of rice processed into a complex formulation of carbohydrates, crude protein, and essential vitamins and minerals small enough to be 100% assimilated at the cellular level.\*

**Hydrolyzed Spirulina:** Is one of the most nutrient-dense foods on the planet and is loaded with vitamins, antioxidants, and minerals. Contains 19 of the 22 amino acids the body needs and has natural anti-inflammatory properties.\*

**Hydrolyzed Gotu Kola:** Gotu Kola may aid in cognitive and cardiovascular functions, support healthy mood, and has natural anti-inflammatory properties. In addition, Gotu Kola extract may work to aid healthy sleep and promote healthy-looking skin.

Promotes fibroblast proliferation and increases the synthesis of collagen and intracellular fibronectin content, while also improving the tensile strength of newly formed skin and inhibiting the inflammatory phase of hypertrophic scars.\*
