### ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically-driven technology company. We specialize in the development and production of superior wellness products, utilizing our proprietary ZorbMax® Delivery Technology. Through our commitment to superior quality, we have solved the limited absorption issue of traditional delivery methods for nutraceutical & cosmeceutical products.

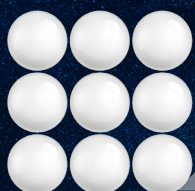

Studies show that less than 55% of all supplements ingested orally ever reach the cell. This is why we have made our products faster acting, delivering

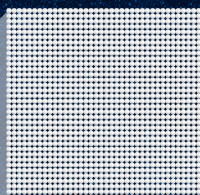

superior absorption & helping you perform at your best. At Swych, our nutrition particles are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly into your cells.

**For those who demand nothing but the best! We deliver “MAXIMUM BIOAVAILABILITY”.**

## KEY INGREDIENTS

### CLA (Conjugated Linoleic Acid)

- Helps promote fat metabolism and improve body composition while you rest, supporting a leaner physique over time.

### White Kidney Bean Extract

- Blocks carbohydrate absorption and reduces late-night cravings, making it easier to manage weight while you sleep.

### Ashwagandha Root

- A powerful adaptogen that lowers cortisol, reduces stress, and supports healthy hormone balance for deeper recovery.

### Lemon Balm, Passion Flower & Valerian Root

- Traditional calming herbs that soothe the mind and body, helping you drift into deep, restorative sleep.

### Melatonin, L-Tryptophan & 5-HTP

- Natural sleep regulators that enhance serotonin and melatonin production, aligning your body's natural sleep rhythm.

### GABA & L-Theanine

- Neurotransmitter and amino acid that calm mental chatter, reduce anxiety, and promote relaxation without drowsiness.

### Vitamin D & Magnesium

- Support muscle relaxation, mood balance, and optimal metabolic function for improved recovery and energy.
