ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically driven technology company, specializing in the development and production of superior wellness products utilizing our proprietary ZorbMax® Delivery Technology. We have solved the limited absorption issues of traditional delivery methods for nutraceutical & cosmeceutical products. Studies show that less than 55% of all supplements ingested orally never reach the cell.

Our products are faster acting, deliver superior absorption & help you perform at your best. We create nutrition particles that are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly to your cells.

**For those who demand nothing but the best!
We deliver “MAXIMUM BIOAVAILABILITY”.**

* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Not a significant source of Vitamin D, Calcium, Iron, and Potassium.

HOW TO USE:

Take 1-2 gummies daily. Chew thoroughly before swallowing.

FEATURES & BENEFITS KEY INGREDIENTS

Improved Immune Health: CBD can stop inappropriate immune responses before they begin. For example, cytokines are small proteins released by immune cells and are involved in initiating inflammation. CBD works to suppress cytokine production while boosting T-regulatory cells (Tregs). Tregs work to modulate the immune system and prevent autoimmune diseases.*

Reduces Antibacterial Properties: CBG has shown to be a superior bacteria fighter thanks to its antibacterial activity against drug-resistant bacteria.*

Helps Fight Anxiety: CBD use has been shown to improve some symptoms related to anxiety disorders because of its anxiolytic (anxiety reducing) properties.*

Eases Pain: The body produces endocannabinoids, which are neurotransmitters that bind to cannabinoid receptors in your nervous system. Studies have shown that CBD may help reduce chronic pain by affecting endocannabinoid receptor activity, reducing inflammation, and interacting with neurotransmitters.*

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Nano CBD: CBD is a popular natural remedy used for many common ailments. It is one of more than 100 chemical compounds called cannabinoids that are found in the cannabis plant, Cannabis sativa. CBD is an appealing option for relief from pain and other symptoms without the mind-altering effects of cannabis.*

Nano CBG: A superior bacteria fighter, CBG has antifungal and antimicrobial properties so potent that it can even fight off bacterial strains that are notoriously resistant to antibiotics.*

Nano CBN: Unlike THC, CBN has no psychoactive effects. There is no "high" or any other mind-altering effect from CBN. CBN appears to have multiple health benefits including anti-inflammatory capabilities and calming properties.*
