## WE HAVE A SINGLE PRICE PHYLOSOPHY

We believe that by having one single price, it makes everything easier and simpler for our Social Promoters and Customers. No MLM jargon or heavy opportunity pitch here. The SWYCH Plan is **VOLUME** Based, not **TITLE** Based, which means more people on your team can WIN!

We rely on the results of our products. We don't have to talk about our pay plan because our products work & Customers buy them. People in our company naturally share & talk about them, so your business grows as a by-product. Most People are looking for an extra \$500-\$1,500/month - we do that part extremely well.

You will receive two replicated websites; **SWYCH.com** is 100% Customer focused on shopping our products. And **SWYCHLIFE.com** is for the Social Promoters® and includes the business info.

### SWYCH.com - Retail - Product Focused

### SWYCHLife.com - Business Focused

We make it extremely easy to acquire Customers and to grow your Customer base. Our Social Promoters® can earn up to 50% on retail Customer sales. We also have an innovative program that incentivizes your Customer to refer more Customers that you will earn on.

The SWYCH website does all the upselling to your Customers. SWYCH also handles all the shipping, handling, customer service, and returns associated with all products.

### Customers

Anyone can be a Customer of SWYCH by just purchasing products from SWYCH.com.

If a Customer sets up a recurring order, he or she becomes an SmartShip Customer.

### Social Promoter®

This is our term for an independant Distributor. Become a bonus qualified Social Promoter® today. This membership allows the Social Promoter® many benefits along with access to the SWYCH Cloud office. This gives the Promoter the ability to track their progress in the Rewards Program. It also provides a variety of useful business tools.

### Active (Qualification to Earn)

When a Social Promoter® meets or exceeds 100 Personal Product Points within a qualifying bonus period, he or she is eligible to receive bonuses. This can also be achieved with 200 Points of Customer sales. Social Promoters® who have at least 75 SmartShip Points, automatically meet the 100 Point requirement. You will also be qualified in your first month with any SWYCH Pack purchase.

### Pay Periods

Daily bonuses are calculated daily from your current Rank, which is based on your total Points over the previous 31 days. You will see your earnings in a pending status for 10 days, after which you will be able to request a withdrawal to your SWYCH Visa card or bank account. Monthly Bonuses will be calculated based on your Rank on the last day of every calendar month with the request for withdrawal available on the 10th day of the following month, and paid on request. All these times are based on the SWYCH Time Zone (Eastern Time Zone).

### Dynamic Compression

Levels compress when a Social Promoter is not Active (bonus eligible) to make sure you are paid on as many levels as possible.

---

**Bonuses are calculated  
Daily & Monthly.**

---

### SmartShip - Auto Delivery

Subscribe to our auto delivery program (SmartShip), and earn a discount on that order. Customers earn discounts as well.

### Position

In the SWYCH system, there are two position trees. The first is called the Sponsorship Tree. This tree includes the people within the downline hierarchy that are personally sponsored by you and your personals etc. It excludes those sponsored by an upline Social Promoter® and placed under you. The second tree is the Placement Tree, which includes all of the downline hierarchy. This tree is based on how all the Social Promoters® are positioned in the tree. This tree includes those sponsored by you and those placed in your downline by your upline.

### Points

All SWYCH orders have Points associated with them and all products have Points assigned to them - Personal Points (PP) for you and (CP) for your Customers & SWYCH Points (SP) for your downline Team Points. They are sometimes referred to as volume, PV, or BV. All Bonuses are based on these Points.

### Rank

SWYCH has two rank terms for a Social Promoter®. The first term is "Lifetime Rank" or "Highest Rank" which is the highest rank a Social Promoter® has earned in their lifetime; this is a permanent rank title for as long as the Social Promoter® stays active. The second is the "Paid as or Current Rank" of the Social Promoter® which is the rank that a Social Promoter® qualifies for during a pay period, this rank can change daily during the period.

### Social Promoter Kit

By purchasing this kit, you are eligible to earn bonuses by sharing the SWYCH Products & Business with others. Only SWYCH Social Promoters® (SWYCH'rs) can participate in our lucrative Rewards Plan!

**It is important for Social Promoters®  
to understand these terms to begin to  
earn bonuses and rewards.**

# Customers are # 1

It is all about the **Customer**. We need to give them the greatest experience possible, then everything else will fall into place. The financial rewards will soon follow.

**Our Rewards were designed to create the right behaviors.**

Our primary focus at SWYCH is to attract, grow and retain Customers. We achieve that by providing a plan that rewards the Social Promoters® for getting and retaining Customers.

Although the SWYCH Rewards plan may appear complex at first, it is really just about focusing on three natural behaviors:

- ✓ *Acquiring Customers*
- ✓ *Building a Team of Social Promoters®*
- ✓ *Developing Leaders*

---

The SWYCH Rewards Plan includes recognition & titles for Social Promoters® who achieve certain levels of monthly Customer sales. This special recognition is added to the Social Promoter® title allowing Social Promoters® two ways to be recognized for their efforts: **promoting products and building teams.**

For example, a Social Promoter® who achieves the Bonus Rank title of Gold and also earns the Customer title of C6 would be known officially as **Gold - C6.**

**Customer Orbit Bonuses are calculated daily. The payout percent will increase each time a Social Promoter's Customer title increases during the month, up to the maximum of 40%.**

This means that every Social Promoter® starts at the base Customer level, earning 20% on their customer orders.\*

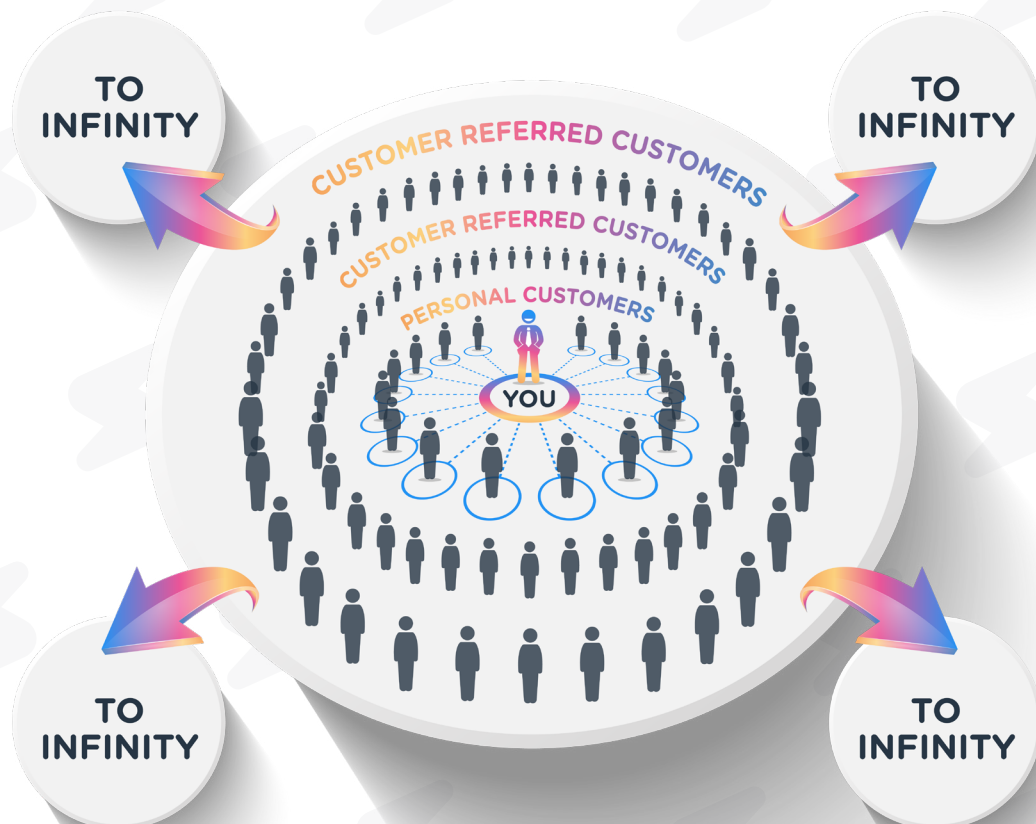

As you make additional Customer sales throughout the month, your Customer Rank title increases and so does your percentage of pay. And the best part is, we pay you retroactively, the difference between what you earned during the month and the highest rank achieved at the end of every calendar month.

## Customer Referral Program

How many people do you know that would love to get these one of kind SWYCH products with big discounts or even for free? With this program, every Customer can share their own referral link to friends and family & be rewarded with product credits equal to 20% of the net product value of the orders made by the Customers they refer. Not only the first time, but **EVERY TIME THEY BUY A SWYCH PRODUCT!** There is no limit to the number of referrals they can make or levels of Customers!

On each Customer referred by a Customer, the Social Promoter® that referred the first Customer will still be rewarded with 50% of normal bonuses. This allows the Social Promoter to earn money from countless unknown customers, from an infinite number of levels of Customers!
