

UTI RELIEF STRYPS™ NUTRITION THE NEW WAY

QUICK • CONVENIENT • PRECISE • EFFECTIVE • NO PILLS • NO POWDER • NO WATER

Relief Made Easy!

SWYCH STRYPS™ deliver nutrients on an oral dissolvable strip. They dissolve in seconds & work within minutes.

SWYCH UTI Relief STRYPS® have gone through our proprietary ZorbMax® process. This ensures the maximum absorption possible, ensuring that the ingredients get into the blood as fast as possible, especially when absorbed orally.

This is a 100% plant-based STRYP that is scientifically-formulated with organic Canadian cranberry & Japanese green tea along with chamomile & blueberry extracts.

ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically-driven technology company. We specialize in the development and production of superior wellness products, utilizing our proprietary ZorbMax® Delivery Technology. Through our commitment to superior quality, we have solved the limited absorption issue of traditional delivery methods for nutraceutical & cosmeceutical products.

Studies show that less than 55% of all supplements ingested orally ever reach the cell. This is why we

have made our products faster acting, delivering superior absorption & helping you perform at your best. At Swych, our nutrition particles are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly into your cells.

For those who demand nothing but the best! We deliver “MAXIMUM BIOAVAILABILITY”.

Ingredients: Vaccinium Oxyccococ (Cranberry Extract), Firming Agent: Pululan; Matriarca Chamomile (Chamomile Extract), Vaccinum Corymbosum (Blueberry Extract), Stabilizer: Crosslinked Cellulose Gum; Natural Flavor of Cranberry, Emulsifier: soy lecithin; Sweetener: steviol glycosides.

HOW TO USE: Take 1 STRYP daily.

FEATURES & BENEFITS

Helps Relieve UTI Pain: By directly attacking the bacterium that causes the UTI and removing it from the urinary tract the pain associated is reduced as well. *

Quicken Recovery Time: helps to dilute your urine which allows you to pee more frequently so that the UTI causing bacterium is flushed out of your body quicker. *

Aids in Prevention: Cranberries and blueberries naturally prevent bacteria from sticking to the urinary tract. Thus, making you less susceptible to infection in the first place. *

Encourages Better Urinary Tract Health: Can decrease the occurrence and recurrence of UTIs by strengthening the good bacteria found in the Urinary Tract, which in turn allows for its better overall health. *

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.

KEY INGREDIENTS

Cranberry Extract

- Not only an antioxidant powerhouse, but also full of an active ingredient that can help prevent adherence of bacteria to the bladder wall. If bacteria can't stick to the tissue, they are unable to multiply and cause an infection. *

Chamomile

- Possesses a weak diuretic effect and contains plant compounds with anti-inflammatory and antibacterial properties. These features are thought to help reduce inflammation, inhibit bacterial growth, and flush the urinary tract of infectious bacteria. *

Blueberry Extract

- The large amounts of vitamin C found in blueberries aid in inhibiting the growth of bacteria in the urinary tract. *

Green Tea

- Contains a rich supply of plant compounds called polyphenols, which are well known for having strong antimicrobial and anti-inflammatory effects. *
