ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically driven technology company, specializing in the development and production of superior wellness products utilizing our proprietary ZorbMax® Delivery Technology. We have solved the limited absorption issues of traditional delivery methods for nutraceutical & cosmeceutical products. Studies show that less than 55% of all supplements ingested orally never reach the cell.

Our products are faster acting, deliver superior absorption & help you perform at your best. We create nutrition particles that are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly to your cells.

For those who demand nothing but the best!
We deliver "MAXIMUM BIOAVAILABILITY".

FEATURES & BENEFITS

Improves Hair, Skin, and Nail Health: The many antioxidant and anti-inflammatory rich ingredients strengthens hair, skin, and nails against many diseases. It also blocks the free radicals in our body, causing the aging process to be slowed down.*

Boosts Collagen and Keratin Production: Increases the amount of collagen and keratin produced by “turning on” genes and cells involved in collagen and keratin production.*

Protects Skin from Environmental Pollutants: Supports the elasticity of your skin cells by keeping them from breaking down too quickly. It also has a protective effect against sun damage to your skin due to its antioxidant properties that help heal damaged tissue caused by ultraviolet radiation from the sun or other sources such as X-rays or chemical exposure.*

Stronger Hair: Hair requires biotin to grow properly because it converts carbohydrates into energy needed for hair growth and repairing itself.*

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.

KEY INGREDIENTS

Methylsulfonylmethane (MSM): Decrease joint or muscle pain by reducing inflammation in your body. It also inhibits the breakdown of cartilage, a flexible tissue that protects the ends of your bones in joints.*

Fo-Ti Root (polygonum multiflorum): In Asia, fo-ti is famed for reversing grey hair. It is thought to do this through its ability to restore melanin. Researchers have found that it may have neuroprotective properties and antioxidant effects.*

Hydrolyzed Keratin: When used on hair topically, it helps fill the minor gaps throughout the hair shaft, when the broken-down protein fills these microscopic gaps, hair gets the strength to minimize damage from chemical treatments, heat styling, and the sun.*

Hyaluronic Acid: Increase skin moisture which in turn helps reduce the appearance of fine lines and wrinkles.*

Biotin: Biotin can help in improving the growth rate of your hair, it also plays a role in maintaining healthy and strong nails.*

KEY INGREDIENTS

Vitamin A: Essential for many physiological processes, including maintaining the integrity and function of all surface tissues: for example, the skin, the lining of the respiratory tract, the gut, the bladder, the inner ear, and the eye. Also supports the daily replacement of skin cells and ensures that tissues can produce mucous and provide a barrier to infection.*

Vitamin B1 Thiamin: Reduces the inflammatory response of the skin and positively affects the condition of the mucous membranes. Used in the treatment of neuron-dermatitis, shingles, wounds, burns, psoriasis, and eczema.*

Vitamin B3 Niacin: Maintains good blood circulation which aids in the stimulation of new hair growth. Works synergistically with other beneficial nutrients, such as biotin, enhancing the overall positive effects.*

Vitamin B5 Pantothenic Acid: Moisturizes the skin and retains moisture within the pores by regulating the size of pores and water loss. This keeps the skin supple, smooth and avoids dryness or cracking that comes with dryness.*

Vitamin E: Is a nutrient that's important to vision, reproduction, and the health of your blood, brain, and skin.*

Zinc: Involved in skin repair and in making DNA, the cells' blueprint for replication. Zinc plays a critical role in collagen synthesis, immune function, and inflammatory response, it is necessary for proper healing.*

Manganese: Helps bone health, including bone development, maintenance, and mineral density.*

Copper: Plays an important role in maintaining collagen and elastin.*

Horsetail Stem Extract (*equisetum arvense*): Contains silicon, a mineral needed for healthy bone and connective tissue production.*

Bamboo Extract (*Bambusa vulgaris stem leaf*): Is antimicrobial, anti-inflammatory, and acts as an antibiotic, it's a powerhouse for rejuvenation and cell growth.*

L-Tyrosine HCL: Aids in the function of organs responsible for making and regulating hormones, including the adrenal, thyroid, and pituitary glands. It is involved in the structure of almost every protein in the body.*

L-Methionine: Improves the tone and elasticity of the skin, promotes healthy hair, and strengthens the nails.*

Alpha Lipoic Acid: Considered an antioxidant, meaning that it can neutralize harmful compounds called free radicals that damage cells at the genetic level.*

Amla Fruit Extract: High concentrations of vitamin C in amla helps the body recover from illness. Amla berries also include several flavanols, chemicals that have been linked to benefits like improved memory.*

Avocado Fruit: Monounsaturated fatty acids in avocados may be beneficial in reducing the risk of stroke, hypertension, diabetes, obesity, and certain gastrointestinal diseases.*

Olive Fruit Extract: Helps prevent LDL (bad) cholesterol from building up in your arteries. This effect helps increase blood flow and lower blood pressure, reducing your risk of heart disease.*

Aloe Vera Leaf Extract: May benefit your digestive tract and help to soothe and cure stomach ailments, including irritable bowel syndrome.*

Grape Seed Extract (95% polyphenols): Help with a type of poor circulation (chronic venous insufficiency) and high cholesterol. Grape seed extract also reduces swelling caused by injury.*

Argan Oil: Oleic and linoleic acids that make up the majority of argan oil's fat content are vital nutrients for maintaining healthy skin and hair.*

Saw Palmetto Powder: Used to balance hormone levels and combat hair loss by reducing the uptake of DHT-- that is linked to hair loss-- in hair follicles.*

Silica: Benefits nails by delivering orthosilicic acid, which can reduce the brittleness of nails.*
