ZORBMAX® DELIVERY TECHNOLOGY

SWYCH® is a scientifically-driven technology company. We specialize in the development and production of superior wellness products, utilizing our proprietary ZorbMax® Delivery Technology. Through our commitment to superior quality, we have solved the limited absorption issue of traditional delivery methods for nutraceutical & cosmeceutical products.

Studies show that less than 55% of all supplements ingested orally ever reach the cell. This is why we have made our products faster acting, delivering

superior absorption & helping you perform at your best. At Swych, our nutrition particles are so small, millions of them could fit on the head of a pin. These tiny particles can easily enter your blood stream & deliver the needed nutrition directly into your cells.

For those who demand nothing but the best!
We deliver “MAXIMUM BIOAVAILABILITY”.

INGREDIENTS: Brown Rice Syrup, Sugar, Cacao/Dark Chocolate, Natural Caffeine, Apple Flakes, Acai Extract, Green Tea Extract, Palm Oil, Natural Flavors, Sunflower Lecithin, Vitamin B-12 (Methylcobalamin).

HOW TO USE:

1 chew per day.

FEATURES & BENEFITS

Energize Your Body: Unleash the power you hope for from an energy drink without the jitters or crash! Discover the stamina you need to stay alert, without compromising your health.*

Boost Mental Clarity: Research has consistently shown that caffeine can improve various aspects of brain function, including mood, vigilance, reaction time, and memory.*

Support Overall Good Health: Rich in polyphenols, which are natural compounds that have health benefits, such as reducing inflammation and helping to fight cancer.*

Convenient & Delicious: The convenience of this delicious bite-sized chew makes for a great energy boost wherever you may need one.*

KEY INGREDIENTS

Cacao Powder: Helps lower your blood pressure, improve the way your blood vessels' wall's function, and benefits your digestive system.*

Acai Berry Extract: Is extremely rich in antioxidants, which play a critical role in fighting off free radicals. The plant compound, anthocyanins, is the key here. Anthocyanins are clinically proven to help neutralize cells and prevent medical conditions, like diabetes and heart failure.*

Green Tea Extract: Contains catechins -- natural antioxidants that help prevent cell damage and provide other benefits. These substances can reduce the formation of free radicals in the body, protecting cells and molecules from damage. Green Tea also contains the amino acid L-theanine, which has an anti-anxiety effect.*

Natural Caffeine: Studies show that caffeine and L-theanine (found in green tea) can have synergistic effects. This means that the combination of the two can have particularly powerful effects in improving brain function.*

Vitamin B-12: May play a role in preventing brain atrophy, which is the loss of neurons in the brain and often associated with memory loss or dementia.*

Warning: Keep out of reach of children. Not intended for individuals under the age of 18. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health care concerns. Do not use if safety seal is broken or missing.

Storage: Store in a cool, dry place.
